Ortrun EG is poised to become a leading industry supplier of products, services, representation and project management systems in the Equatorial Guinea and Central/West Africa.

As a service company we strive to understand our customers' needs and expectations. Ortrun EG's products and services focus on adapting the current trends of the world's leading markets by pushing the limits in order to aggressively and progressively overcome the complex challenges presented to the operators in the industry.
â€‹
Our products are design to help manage common day-to-day operational needs relating to Oil and Gas, Government, Healthcare, Management, Education as well as in-country knowledge of Labour and Employment, Logistics, Legal, Business Development, Tax and Customs, Banking, Finance and Corporate Law. Our main assets are our allies, built on the collaborative partnership with experts and experienced well-established organizations from around the globe.
