B.K. ARCHITECTS BELGIUM S.A. was created by the architect Benoit Kanyandekwe as an architecture and engineering company focused on the growing demand for building and engineering projects at international quality standards in emerging economies. The current geographical focus is on Africa and the Middle-East, where B.K. ARCHITECTS establishes local subsidiaries in order to deliver professional technical services locally and to engage in knowledge transfer towards these developing regions.

Currently, B.K. ARCHITECTS employs over 65 specialists located in our offices in Belgium, Mauritius, Qatar, Kenya and Equatorial Guinea, consisting of:

8 Architects
45 Civil Engineers
15 Senior Technicians.
