China Road and Bridge Corporation (CRBC), one of the four large state-owned companies in China which earliest entered the international project contracting market, mainly focuses on the contracting of such projects as roads, bridges, ports, railways, airports, tunnels, water conservancy projects, municipal works and dredging works both at home and abroad. Meanwhile, its business scope also covers investment, industrial development, trade, leasing as well as services. With more than 50 branches and offices in over 50 countries and regions in Asia, Africa, Europe and America, CRBC has established an efficient and rapid operation and development management network. Now, it is an important carrier, window and platform of CCCC's overseas businesses.
