Located in Bata and in Malabo, Equatorial Guinea, Deltamar S.A. is an insured stevedore and shipping agency established in 2006 to provide loading, unloading, warehousing and transportation of containers and bulk materials.

The company processes 50% of incoming cargo ships to the Commercial Port of Bata and Malabo. Within five years of its launch, the company became the top stevedore in the country, in terms of volume and fleet size.

The experience and efficiency of its foremen and specialized staff, in addition to the breadth of its equipment has placed Deltamar at the top of its market, in terms of loading and unloading capacity and average moves, per hour.
