FTF Catering has faced the challenge of becoming **leaders in facilities management service** in Africa.

FTF Catering has been servicing clients in **north and west Africa** for more than 30 years, adding value to its projects with the experience that this vast knowledge of the area confers to us.

Working for a very specific and demanding sector as the **oil & gas industry** is. Our logistical experience and resources allow us to provide high quality and safe products from Europe and USA to any of the world wide countries we operate in.

We have performed complete, **Catering, Hotel, Food Service & facilities management services** in many of the most remote countries around the world, both in **offshore and onshore sites**, and always with a satisfactory outcome.

FTF **Safety management systems** are our daily tools and believe for a save and satisfactory service wherever we operate, having one of the best safety records in the catering and facilities management industry.

Our local and expatriate team is composed of **Highly trained and experienced people**, who help us achieve our goals in delivering an optimum and first class service to our clients
