GOLDEN SWAN prides itself as one of the leaders in the Waste Management Industry within Equatorial Guinea, established in 2010. We provide complete and the best Waste Management Solutions to our clients along with our latest technology and equipment.

In Equatorial Guinea GOLDEN SWAN is fully authorized and registered in the Ministry of Mines, Energy and Industry (MMIE) and in the Ministry of Fishery and Environment (“MFE”) and all other related Authorities within EG.

Today’s Environmental awareness have changed many companies and individuals to reorganize its importance and save mother earth, preserving its resources and trying to recycle or dispose them in the best possible way. Also it becomes our duty to dispose hazardous material following safe and eco-friendly procedures. We provide flexible end-to-end solutions that assist companies and individuals to meet their environmental objectives by giving the best possible service.

We collect, recycle and dispose all type of Hazardous as well as Non-Hazardous Waste including but not limited to Scrap Metal, Scrap Plastics, Lead Acid Batteries, Waste Oil, Waste Chemicals, Medical Waste, Electrical Waste, Used Tires, Used Filters, Rags, Sludge, Paint Waste, Waste Grease and Schutz Tank etc.
