Based in Bata, Equatorial Guinea, Horizon Construction specializes in domestic commercial, mixed-use and residential projects.

Horizon is proud to partner with internationally renowned companies like Otis, Hyundai and Raimondi and many others. Horizon is dedicated to the implementation of quality standards throughout all project phases from excavation, concrete works, electro-mechanical right to finishing and furnishing.

Our staff of in-house engineers and architects draws on a vast network of subcontractors and suppliers to support us in our projects, some of whom have partnered with EGTC Group, since its inception in 1987.
