*NES Global Talent supplies technical and engineering experts to the oil and gas, power, infrastructure, rail, life sciences and IT sectors worldwide.*

*Our consultants are discipline specific, so fully understand the roles they work on, and our network of 35 offices spans UK and Europe, Africa, the Americas, Asia, Australia and the Middle East, meaning we are on the ground wherever our clients need us.*

*We offer a range of additional services to support our contractors in their assignments including global healthcare insurance, visas, security and travel and mobilisation support as well as payroll guarantees to our candidates and quality guarantees to our clients.*
