StoneHill Education is an international leading education consultancy specialized in the design, consulting and managing of world-class educational institutions.

Our services and programs support governments, corporations and academia in creating a culture of excellence and industrial competitiveness, encouraging education and development. This is achieved through an in depth analysis to find the best comprehensive solutions. We provide turn-key educational projects or meet specific requirements, whether design of schools, program development for universities, recruitment of faculty or students, curricula development, accreditations, marketing and branding for educational institutions etc.

Contact us today and discover why we are one of the most trusted groups of education consultants. We have offices in Dubai (UAE), Boston (USA) and Malabo (Equatorial Guinea). We will help you to create the best learning environment and to become a respected educational institution with the tools to be successful in today's world.
