The no. 1 source for equipment in Morocco and Central Africa.

As a specialist in industrial, mining and construction equipment and the market leader in Morocco and Central Africa, Tractafric Equipment provides the largest industry operators with:

- a wide range of equipment: mining, civil engineering and forestry equipment; replacement parts; industrial and marine engines; power systems; generators; handling vehicles, etc.
- leading manufacturers: Caterpillar, Hyster, Terex Cranes, Manitou, Perkins, etc.
- comprehensive service: sales of new and used equipment, rentals, repairs, maintenance, fleet management, training and more, with temporary personnel solutions to assist customers on site.
