White Storm Capital is a growth-strategy company supporting the African oil and gas industry. We offer hands-on, tactical support through our various financial, investment and wealth management capabilities and expert team of advisors. On all levels, we are organized, equipped with enduring resources and flexibility to support in-house management, and we are committed to helping your company grow and succeed.

White Storm Capital offers an array of financial support services to oil and gas companies, ranging from start-ups to publicly held companies and partnerships regulated by the Securities and Exchange Commission. Our capabilities include in-depth solutions such as negotiations for the purchasing and selling of undeveloped acreage and producing properties, management of banking relations, obtaining financing for capital expenditures and operations, as well as basic tax management and accounting services, audits, financial statements and financial planning. Through dedicated, collaborative and personalized support, we are committed to providing the highest level of service and professional support required to achieve your objectives.

Our Expertise include:

ACCOUNTING/AUDIT MANAGEMENT

HR MANAGEMENT

PRIVATE EQUITY/INVESTMENT

ADVISORY/INVESTMENT
